Enclosure C L C

No. 176.

Dated 17 August 1901.

From H. Ramanujaiengar Esquire,
The President,
Local Fund Boards,
Mysore District.

To H. V. Nanjundaiah Esquire,
The Secretary to the Government of Mysore,
Revenue and General Departments.

SIR,

I have the honor to submit herewith a statement showing the names of works undertaken from the district funds during the year 1900-1901, but left incomplete at its close although full provision had been made for them in the last year's district fund budget. The opening balance for the current year is thus more than what was estimated. It will be seen from the accompanying statement that a sum of Rs 20,908 is required during the current year to complete the works in question. I therefore request you to be so good as obtain the sanction of Government for appropriating the sum of Rs 20,908 required for the incomplete works from the closing

2. I have issued orders to the Amildars to push on the works to early completion

I have the honor to be,
Sir,
Your most obedient Servant,
H R Humphreys
Offg President,
Mysore district.
